Terms and Conditions

General Conditions for the Hiring of Equipment

1. DEFINITIONS AND LAW

The Contract is the document or documents that set out these Conditions and all other details about your agreement with us. "**We**" and "**Us**" mean Cross Hire Ltd. "**You**" means the person, firm, company, corporation or public authority or body to whom we supply Equipment on hire. "**Equipment**" means the hired items referred to in the Contract. These Conditions exclude any terms and conditions you may have put forward, except where we have agreed to any amendments or other conditions in writing. These Conditions do not affect the statutory rights of a person dealing as a consumer as defined by current legislation. The Contract will be governed by and interpreted in accordance with Irish law.

2. BASIS OF CHARGING

You will pay the hire charges stated in the Contract. Hire charges will begin at the time stated in the Contract and will continue during the period of hire until we have given you a collection or off-hire number, or until you have restored the Equipment to us in a clean and serviceable condition and we have given you a receipt for it. All time is chargeable

including Saturdays, Sundays and Bank Holidays. All charges are payable on demand.

Where we have granted monthly account facilities to you in writing, all invoices must be paid by the last day of the month following the month of invoice. Where no such facilities have been granted, payment will be with your order, or where previously agreed, on delivery.

If payment is not made when due, we will be entitled to interest on the amount that is overdue at four percent above the prevailing base rate of Bank Of Ireland PLC calculated on a daily basis. This will be without prejudice to any other rights or remedies we may have. You will also pay to us any charges we reasonably incur in the recovery from you of money or Equipment.

3. DELIVERY AND CARRIAGE CHARGES

Hire charges do not include carriage. You will pay to us any agreed charges for delivering or collecting Equipment. Delivery and collection charges must be paid with the first hire invoice. Where we quote carriage charges, these include only for the time required to load or unload alongside our vehicle at the address you have specified. You will pay extra for any further time or attendance including any attempt by us to carry out your pre-arranged instructions for delivery or collection which is unsuccessful due to your acts or omissions.

4. HIRE CHARGES & HIRE PERIOD

a) Hire Charges are payable during the Hire Period.

b) The Hire Charges as stated or quoted are exclusive of VAT and are subject to change on 28 days written notice either before or during the Hire Period. Any discounts deductions or rebates agreed are only available if the Hire Charges are paid by the due date.

c) Hire Charges stated or quoted are applicable to the quantity, specification, delivery dates, length of hire and information provided by you. If the order placed varies or delay is caused by your instructions or lack of

instructions we shall be entitled to adjust the Hire Charges. Additional charges will be made for the supply and fixing of accessories, extras or additions.

d) Minimum Hire Periods apply as stated or quoted and no refund or credit is given if the hire terminates early for whatever reason.

e) If a minimum hire period discount is provided at the start of the contract for the agreed minimum hire period. Should the hire continue past the minimum hire period the same discount applies for the entire length of that contract until terminated.

f) It is the hirers responsibility to off-hire the equipment when they have finished using it. Cross Hire will continue to charge a weekly hire rate until the hirer contacts Cross Hire to obtain an Off-Hire confirmation.

g) If you cancel the hire order within 24 hours before dispatch, we will be entitled to levy a fee equivalent to 1 weeks hire plus aborted delivery cost.

5. PURCHASE OF HIRE EQUIPMENT

If you subsequently purchase the Equipment no credit will be given for Hire Charges, including minimum hire charges, which have already accrued and further Hire Charges shall continue to accrue until you have paid to us the agreed purchase price.
